- (1) Maintaining minimum equipment for this purpose in stock as an addition to present minimum stock levels.
  - (2) Updating an 8 PAC i.e. installing this equipment in it.
2. CCD - Discussion as to whether there is a requirement for a Covert Communications Equipment Strategic Inventory.

The subject was discussed with an informal conclusion that covert equipment minimum stocks should include a contingency level equal to approximately 10 percent of the annual issue rates.

3. SPD - A general briefing was presented on the automation of SPD activities.
